

# \$800 REWARD

For the apprehension of Four  
Negro Men, viz:

## **JOHN WILLIAMS,**

about thirty-seven years old, five feet, ten or eleven inches high, very black—one of his eyes smaller than the other, from the effects of paralysis—he carries himself very erect.

## **DANIEL NELSON,**

about twenty-one years old, five feet, eleven or twelve inches high—not very black, and quite slender.

## **EDDY HALL,**

nineteen or twenty years old—about five feet eight or nine inches high—very black. And

## **DORY WILLIAMS,**

about twenty years old—very black—five feet seven or eight inches high—thick set—small eyes, large mouth, and stutters in his speech.

These men all left my farm, near Queen Anne, Prince George's County, Maryland, on Monday the 2d instant.

I will give \$50 a piece for the apprehension of each of the above named men, if apprehended in Prince George's County; \$100 a piece if elsewhere in the State of Maryland, or in the District of Columbia—and \$200 a piece, if apprehended beyond the limits of the State of Maryland and District of Columbia. In each case, they must be secured in jail or otherwise, so that I get them again.

Address—

O. H. CARTER,

Queen Anne P. O.,

Prince George's Co.,

Maryland.

July 4, 1860—17
